4-H/FFA Youth Special Project Grant Program

Have you ever had an idea that filled your mind and never went away?

Your idea never became a reality because you didn't have time... energy... or the most common reason of all ... money! With the Grange Credit Union Special Project Grant Program, your ideas now may become possible.

We invite your club to complete an application and submit it to the Grange Credit Union for review. Last spring, the Steuben Stars 4-Hers were granted funds to accomplish their goal. They requested financial assistance to purchase supplies which were used in their award winning flower show display at the Sonoma County Fair. This could be you too!

There are no limits to what can be requested. The form is available at the 4-H office or Grange Credit Union office located at 304 Sutton Place in Santa Rosa. If you have any questions, don't hesitate to contact Susan Nystrom at 584-0384 or susan@grangecu.org.
